Transportation information on the back!

ZIPs Policies and Guidelines

The following person(s) are scheduled to receive transportation on ZIPs for this program:

- **10/10 Rule:** if the bus arrives 10 minutes before or after your scheduled pick-up time, the driver will wait 2 minutes for the passenger to appear. Any time between the 20 minutes is fair game. Please be ready in case there are cancellations and the bus is able to arrive a little early.
- **2-Minutes Wait Time/Be Ready:** According to ZIPs policy manual, ZIPs buses will wait up to 2 minutes for a passenger to appear. If the passenger is not visible after 2 minutes, the bus will leave and you will need to reschedule another appointment.
- **Passenger Assistance:** It is the primary responsibility of parents and staff to assist ZIPs riders en route to and from the bus. ZIPs driver will help as necessary, but staff or parents should be present for those clients who need assistance.
- **No Shows:** passengers will be charged \$5.00 for each time they schedule ride and are not available when the bus arrives. "No Shows" inconvenience others and cause the bus to be delayed.
- **CANCELLATIONS:** Participants of Park and Recreation programs are to cancel transportation through the Coordinator of Adaptive Recreation and can do so by calling 328.2539 no later than 5:00 p.m. the day of program. Passengers who do not cancel appointments will be considered "No Shows".
